

George Van Schalkwyk Award

Awarded for a Distinguished Contribution to the enhancement of Security Professionalism.

The George van Schalkwyk Trophy is awarded annually to the Institute member making a significant contribution to security professionalism in the previous year, as decided by the Board of the Security Institute.

George van Schalkwyk was an Institute member who was tragically killed in a helicopter accident in Afghanistan in 2006. The Award is made in his memory, and sponsored by Brice Braes of SSSI. Recipients previously receive an etched de vecchi silver dish along with a commemorative certificate, but since 2014 this has been replaced with an etched glass trophy.

Winners

Year	Recipient
2006	Stewart Kidd
